APRILIA SPORT PRODUCTION

CIV JUNIOR 2020

The Italian Championship Aprilia Sport production 2020, part of the Italian Civ Junior program, takes the thread of a unique story in which Aprilia has introduced to the racing entire generations of young riders.

A calendar of 6 rounds in which young riders, from 11 years old, will race on Aprilia Sport Production 250. This motorcycle has been projected and developed from Aprilia Racing in cooperation with Ohvale for the use on the track and to make easy and gradual the growth of young talents.
